

16th Annual
Transition Linkages Fair

Resource Guide

April 9th, 2019

The Transition Linkages Fair Committee is a consortium of parents, providers, and educators who want to provide parents of children who are leaving high school with important and timely information on resources and opportunities available to help them on their path to adult supports and programs.

The committee thanks all of the vendors who have taken part in the fair this year.

Additionally, the committee recognizes the efforts of the Culinary Tech Center, who provided the delicious gourmet refreshments available at the fair.

Follow Transition Linkages on Facebook for the latest news and event updates!
