**Golfing for Kids is back!**  
**New date, new location – same great cause.**

I am excited to share the good news that Golfing for Kids is back in full swing. This year's event will recognize the amazing educators at The Children's School who have gone above and beyond during the COVID-19 pandemic.

Twenty-one years and over three million dollars later, your participation in the golf tournament has helped thousands of children in Westchester County receive high-quality early intervention and preschool services.

**THANK YOU!**

The pandemic brought extraordinary safety, staffing and reconfiguration expenses to The Children's School. The full financial impact is just now becoming apparent. This year, your support is **absolutely critical** to ensure that these life-changing services will stay available to the families who need them.

Mark your calendar for **September 21** and bring your family, friends and business associates. **Golfers, space is limited.** Please make your reservation as soon as possible. As always, your generous support is appreciated.

Gratefully,
