The Arc Westchester's Transition Academy invites parents, care managers, self-advocates, and service providers to join us for a meaningful informational session on Guardianship and Supported Decision Making.

With over 25 years of experience, Nancy Succoso, The Arc Westchester's Director of Guardianship and Individual Supports, will discuss legal guardianship and Supported Decision-Making, review available options and resources, detail the planning timeline and the Surrogate Court experience.

There will be time for a Q&A session.
