

Westchester Foundation

For people with intellectual
and developmental disabilities

save the date
April 30, 2025

Dear Friend,

I hope this letter finds you well and that 2025 is off to a great start for you.

I am thrilled to reach out as the Chair of The Arc Westchester Foundation's A Matter of Taste food and wine tasting event. A Matter of Taste is in its 19th successful year, having raised nearly \$4 million for people of all ages with developmental disabilities since its inception.

This year's event, scheduled for April 30, 2025 at the Glen Island Harbor Club in New Rochelle, NY, promises to be a memorable evening filled with tastings from the area's finest chefs, along with favorite wines, spirits, and craft beers for more than 350 enthusiastic wine and food connoisseurs from the Tri-State area. We will honor **The Daddino Family** with the Family Partner Award, and the Corporate Partner Award will be presented to our loyal Employer partners **The Mines Press** and **Iscream**.

Sponsorships have been the backbone of this event since its inception, and offer various benefits, including reserved tables, acknowledgement from the stage and onscreen as well as in our full-color printed journal, on our website and shared with our social media following of 80,000 people. Your support, as a sponsor or journal advertiser, will contribute to our fundraising goal of \$400,000, and make a lasting impact on the lives of those we serve, ensuring that we can continue to provide for the 2,000 individuals who depend on The Arc Westchester for lifelong services ranging from education and day programs to transition & employment, residential placements, and guardianship.

Whether you are a longstanding supporter or new to our cause, we invite you to join us in making the 19th annual A Matter of Taste a resounding success. Without you, the most innovative services and supports we provide – the kinds of programs that give fulfilling, meaningful lives to the people in our care – would not be possible.

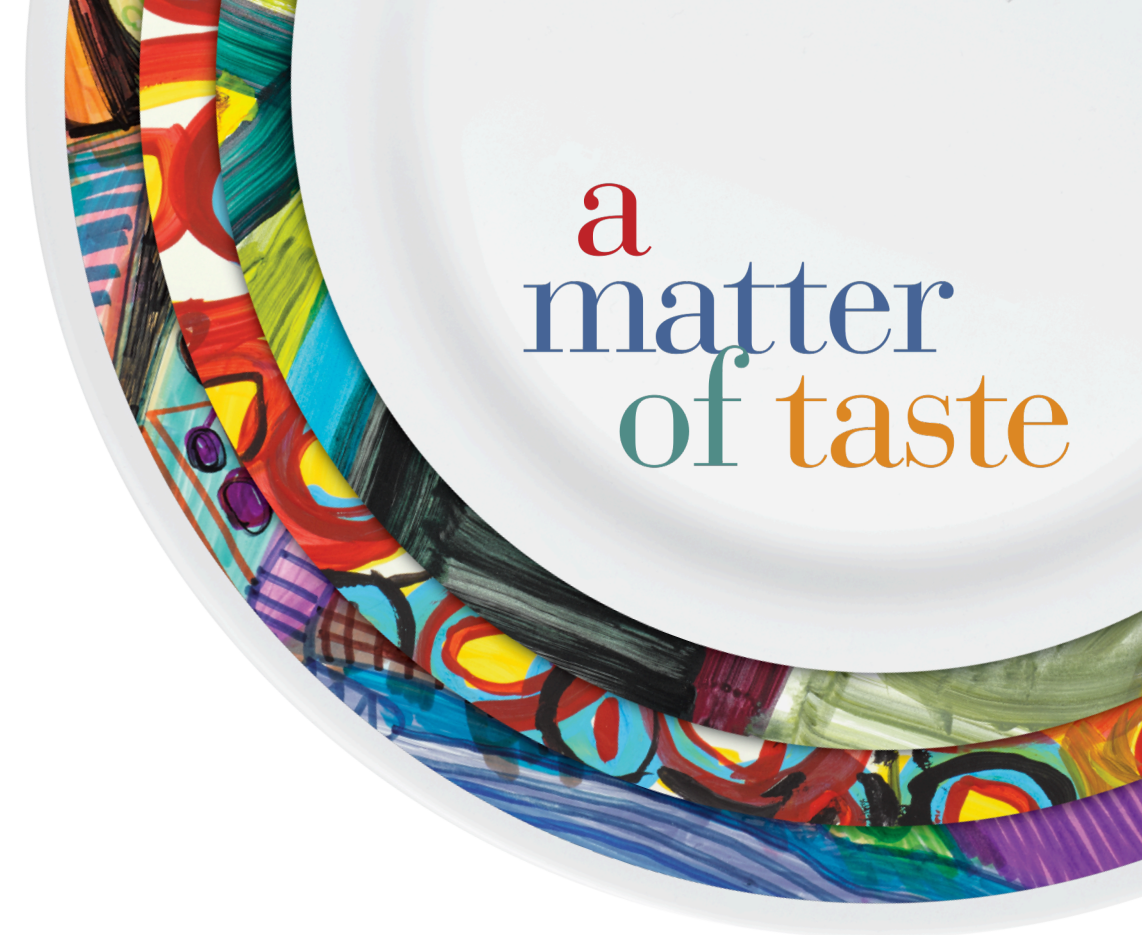

For partnership details or inquiries, please contact Fran Higgins at fhiggins@arcwestchester.org or 914-495-4536. To learn more about our work please visit <https://arcwestchester.org/>. We look forward to your participation and support.

With gratitude,

Elaine Masket
