PII Information Session

Partnership for Inclusive
Internships (PII)

The Arc Westchester, in collaboration with Westchester County and AHRC NYC, invites you to attend a general information session to learn more about Partners for Inclusive Internships (PII). This initiative creates meaningful paid internship opportunities for people with disabilities within Westchester County government. To learn more about PII and the application process, please complete the required Zoom registration. After registering, you will receive a confirmation email with information to join the meeting.
